A Luxury Wilderness Wedding Venue

MID-ILLOVO, KWAZULU-NATAL

Gwahumbe Game Reserve invites you to embark on an extraordinary journey to celebrate your special day. With nature as your witness and luxury as your companion, Gwahumbe offers an enchanting wedding experience that makes you feel like you're part of the bush, not just a spectator.

Perched on the mountain, our venue boasts uncluttered spaces that draw your gaze to the breath-taking surroundings, seamlessly blending the outdoors with your celebration. Our one-with-nature approach means that there are no fences separating us from the wildlife at Gwahumbe. It's not uncommon to spot giraffes, zebras, and ostriches near the lodge, seemingly "welcoming" our guests and overseeing the festivities.
